	meeting and enroll one more volunteer. Eric provided old survey draft; goal to issue <11/14. Sid noted that we should provide input to the HES Building Committee (via David Fay) to provide standard outlets in the exterior lights to allow EV charging. It was noted that VW has funds available for charging stations – Eric will investigate the requirements and restrictions. 7. Planning Board Protective Bylaw memo 8/29/17 – HEAC has no recommended amendments. Eric noted that charging station location may involve impact on zoning.
