

Cemetery Commission Minutes

April 20, 2022

4:00 PM Bellevue Cemetery

Present: Bruce Dolimount, Theodore Maxant, John Lee

Approved minutes from March Meeting

The commission voted in favor (2 -0) 1 abstaining to recommend that Bruce Dolimount be appointed to another term.

Discussed the clean up of fallen pine trees on the west side of Bellevue Cemetery. It was decided that we would first ask if the cemetery worker would feel comfortable cutting it down into smaller pieces to make it less visible.

Also the commissioners would like to see the leaves clean up from the back wall in the center cemetery. John Lee will ask to have that scheduled.

The commission was informed by the cemetery worker that there is a cedar tree in the Center Cemetery next to the white shed that should be taken down. He indicated that he would be able to take care of that tree.

The commission voted in favor of establishing one additional row of double lots in Section N. They will be numbered N-88 to N-98

The commission voted in favor of reimbursing \$169.50 John for 3 new flags (2 for the current season and 1 for back up)

Next meeting the commissioners will view the drainage issue along the road in section J

Next meeting scheduled for May 16th
