Minutes of the March 11th, 2021 Online Harvard Cable Access Committee Meeting Approved 4/8/21

Committee Members Attending: Nick Browse (chair), Robert Curran (vice chair), Amy Bassage, Chris Jones (recording secretary), David Henderson

Others Attending: Brittany Blaney (Station Manager), Hristina Tasheva (Station Operator)

Called to order at 5:01 PM.

Meeting Minutes: Minutes of the February 11th meeting were reviewed and approved unanimously.

Public Comment: none

Treasurer's Report: Nick

- The FY21 forecast has changed slightly but not significantly. Overall, we are running a little under budget, and Nick would like to see the station spend extra money to update equipment.
- Brittany has spent \$5,365 of the allotted \$7,500 for cameras to support the Bromfield video production course. She's happy with them, and they are nice and robust for what the students need.
- The Q3 Charter receipt was slightly up which is good news, but we will need to continue to track it.
- Brittany shared the HCTV Project Time Tracker from February 11th to March 10th that tracks hours spent on projects and calculates the extra expense of filming and processing during COVID-19. The additional expense came to \$923.46. Nick is going to speak with the town about recovering these additional costs. Nick also asked Brittany to formulate concrete answers about why processing takes the extra hours it does during the pandemic so that the town understands the extra expense.
- Nick projects that the station will have \$4K to \$5K left over in capital expenses at the end of the year and wondered what we could do with the surplus. Brittany thought a new camera, more cameras for the video production course, or a new computer would all be viable options, but she'd prefer to wait on a decision. The purchase of teleprompter stands for the new elementary school was also floated, and the stands are not that expensive.
- The committee reviewed the new Station Manager's contract for April 1st to the end of June. Robert made a motion to accept the contract, and the motion passed unanimously.

Station Manager's Report:

- Brittany shared the attached report. Additionally...
- Robert was curious about why people visited the website but didn't stay to watch content. He wondered if there was a way to make content a bit "stickier."
- Hristina has been working very hard on the Harvard Schools Trust fundraising event that
 will be livestreamed. The Trust reached out to the station just last Friday for support with
 the project, and the late notice has made her work challenging. Robert emphasized that
 we need to promote ourselves for this work, especially if the product looks great which it
 will.:)
- Nick asked about staffing for the summer and Will and Kaia's availability.
- Robert updated the committee on the sound booth, and he has discovered a company that
 custom makes a booth for the space you're working with. Supposedly, the assembly is
 easy and something the committee might be able to do in a weekend. He will send out
 more information.
- Maynard High School has constructed a new media center with state funding, and we
 have an invitation to take a look. It's possible we could get funding as well to update the
 station's space.

New Business:

- Amy is not going to renew her term with the committee, and Nick thanked her for all her contributions over the last three years. She will be missed. Chris has renewed for another three years. Nick would like to find a new committee member, preferably a woman with a decent level of media/technology comfort. He's open to suggestions.
- Chris asked the committee if the website would post some videos that promote the
 Harvest Community Project, made by high school senior, Alex Lebish for his service
 project. Brittany and Hristina welcomed the new content so long as it doesn't violate any
 copyright laws.

Meeting adjourned at 6:30 PM

The next meeting is scheduled for Thursday, April 8th at 5:00 PM.

Station Manager's Report:

Programming/Event Coverage (02.11-03.10) - Reel: https://vimeo.com/522154107
