

JULY 23, 2020 6:45 – 7:15

Minutes, Deer Management Subcommittee - Zoom meeting

This meeting is available on Harvard TV.

Fall Hunt:

5 areas approved by ConCom

Jason will add road setbacks.

Quals:

We will meet ConCom 8/6 to discuss hunter density – How many hunters per acre land etc.

Looking for locations private, town property options for qualifier.

Think about tasks to do for quals

We can observe quals in another town 7/29, 6-8pm Bob asked for people to attend.

(Jason will come, Ben will confirm, Tom avail - will confirm)

Hunter density per acre

Bob: start with more hunters, there will be attrition, will be self-limiting

ConCom wants more information.

We will get more info from other towns, David Stainbrook

Jason: get back to CC about hunter regulation

We would like to get as close to 30 as possible for the lands we have available.

Future meetings:

7/30, 715pm (Ben has HCT duties that night at some point)

Divide DMS tasks:

- Contact and schedule hunters for quals
- Distribute waivers and collect signed waivers
- Make targets (straw bale or equivalent, paper targets) and deliver to quals
- Plan logistics for quals - parking, etc, signage
- Record/organize results of quals
- Make and distribute hunter and tree stand badges
- Distribute hunter contracts and collect signed copies
- Handle other program documents (Program Rules, etc)
- Make trail signs
- Post trail signs in October
- Remove trail signs in January
- Prepare and send/deliver notices to abutters
- Create log books and organize the logs that hunters turn in

Bob will contact individually to assign tasks....
