

**TOWN OF HARVARD
DEER MANAGEMENT SUBCOMMITTEE Minutes
ZOOM Meeting 6:30 -7:15pm
Thursday December 17, 2020**

**DMS: Douglas, Cole, Cotton, Willard, Urquhart
Public: Tracey, Wittenburg**

New Business:

- **Recommendation for membership of DMS**

Douglas: Thank you Jason Cole for your huge contribution for the program. Cole: Hope to be back some day. Douglas wishes to advance Don Osmer, Joe Pulido and David Pinard. Cotton: I think they are all great and will serve us well, they bring experience from the hunting side of things, and bring a different perspective that we don't have on the committee. Cole: I know each of them and they have commitment to the program. Douglas: I feel we can advance these as consensus strong candidates. Cole: Don Osmer is a resident of another town. Do you need to be a member of the town? Douglas: Yes, he is from Ayer, and I let the agent know. Don has hunted Harvard for a decade, he knows the residents. I don't know if residency is required.

- **Recommendation of hunting sites for 2021**

Cotton: Lands discussed previously; Great Elms (near Murray), Williams Land, Prospect Hills (behind town transfer station), Sprague Lands (close to Willard Land). See what Commission had to say about those parcels.

Douglas: Wendy Sisson was also looking for lands. Cole: Sprague showed deer sign in the transects we did. Cotton: Does have a large swamp. Cole: Capobianco property is in that area too. Cole: Tripp land too. Cotton: Currently hunting prohibited as a restricted activity at Tripp. Douglas: Can you research that area? We have seen trespassing stands in there. Cole: We had looked at Dunlap in the past off Old Littleton. Cotton: We had seen an illegal stand in there. Douglas: worth checking setbacks. Cole: Will look at map. Douglas: Will check with ConCom Stewardship Committee. Cole: Best shot is to pattern deer with snow on the ground. That would be helpful.
