

**TOWN OF HARVARD
DEER MANAGEMENT SUBCOMMITTEE MEETING MINUTES
ZOOM MEETING
7:00 December 8, 2021**

Bob Douglas DMS Chair
Joe Pulido, DMS
Tom Cotton, DMS
Ben Urquhart, DMS

Bob called meeting to order.
Announced where to find videos (Harvard cable TV) and minutes of hearings, as well as the DMS library of information (Town website).

Meeting minutes for Sept 2 and Sept 15 were reviewed. Bob amended minutes for Sept 15. Added location where rules for the hunt may be found (Town website). Motion to approve both by Tom. Seconded by Joe. Unanimous vote to approve.

Bob asked if there was any information that needed to be discussed prior to ConCom in 8 days.

Joe shared the news that the previous day a big doe (121-pounds dressed) had been harvested at Blomfelt property. Tom inquired about the logging of the deer. Don Osmer offered a clarification. The harvest had been logged, however the GPS coordinates had not been updated.

Ben and Joe will attend ConCom meeting next week.

Bob asked for comments from anyone outside the Committee, and there were no replies (10:10).

Motion to adjourn Tom, Second Ben and Joe. Unanimous. Adjourn 7:11pm.
