Public Commentary: None

Town Administrator's report: Tim presented the "Fiscal 2019 Budget Memorandum". Document outline the new budget process for the town. Committee members discussed the memorandum language and presented Tim with a number of suggested changes. Jennifer will email changes to Tim.

Tim reviewed Financial Projections (revenue projections) for 2019 and beyond. Some key assumptions: i) Projections for 2019 and beyond do not include funding for any new programs; ii) State support does not change. Projections indicate revenues grow modestly over time.

Due to the state budget shortfall, 9C cuts are expected from the state this year. Not clear how these may impact Harvard.

FinCom will receive the budget binder from the BoS on Dec. 29 2017. FinCom meeting dates required to review the town's department budgets prior to the Feb 28, 2018 deadline were also discussed. The conclusion was that approximately six meetings in January 2018 may be required to complete the review. The dates considered were; 3, 10, 13, 17, 24, 27.
