Town Hall

Present: Wyona Lynch-McWhite, Frank Culmone, Joe Reynolds, Steve arrived 45 minutes late.

Budget Updates

Frank - Wants to bring in someone to help streamline payment processes. We need this in order to do accurate budgeting and projections. Wyona asked whether or not we should talk to FinCom. Wyona, why can't we get these specific numbers off of Sage/League athletics? Frank would like someone to set up a system so that town hall can keep track of specific funds as they go into the muni reports.

Wyona - Why are things now more difficult with Lorraine now gone? Has the system changed, what is being done differently to now cause a problem.

Field Updates - Doug out of town.

Wyona will forward all request to Doug to review. BOS confirmed a road race Sept. 30. There was private request to use a soccer field Sept. 14.

Approval of previous meeting minutes -

July 19, Wyona Motioned. Steve second. Past 3-0
August 7th - Passed 3-0. Joe motioned - Wyona Steve seconded.
