

ABSENTEE VOTING

Absentee ballots are available for all elections – Town, State, Federal and Primaries. They are generally available at the Town Clerk's Office at least three weeks prior to an election.

ELIGIBILITY

There are specific reasons for requesting an absentee ballot, which include the following:

- » being absent from the Town during polling hours;
- » a physical disability which would prevent a person from going to the polls; or
- » religious beliefs

APPLICATION

The application for an Absentee Ballot must be signed under the “*penalty of perjury*” by the applicant or a family member requesting one on behalf of the voter.

Applications for absentee ballots must be received by the Town Clerk's Office by 12:00 noon on the day prior to an election. However a voter who is admitted to a health care facility after noon of the 5th day before an election may apply for a ballot up until the close of the polls and may request to have the ballot delivered by a person designated by them. A written request is still required. The easiest way to vote absentee is to come into the office, fill out the application, and vote in person. Ballots may NOT be hand carried out of the office.

Ballots must be returned to the Town Clerk before the close of the polls on election day.
