

EARLY VOTING

Early Voting was available for the first time in Massachusetts before the General (Presidential) Election in 2016.

All registered voters in Harvard may vote early during the designated early voting period without a specific reason or excuse (unlike Absentee voting).

In 2018 Early Voting will occur in advance of the November 6, 2018 State Election as follows:

| | |
|-----------------------|--------------------------|
| *Early Voting begins: | Monday, October 22, 2018 |
| *Early Voting ends: | Friday, November 2, 2018 |

It is possible that Early Voting will also be available before the State Primary on September 4, 2018, but that has not been determined yet.

Further information on all Early Voting dates will be available as election time approaches.

The regulations governing Early Voting and its requirements can be found in Mass General Laws Chapter 54, Section 25B here: <https://malegislature.gov/Laws/GeneralLaws/PartI/TitleVIII/Chapter54/Section25b>
