

War Monument Restoration Committee
Minutes for March 2, 2017
7:00 AM
Volunteer Room, Town Hall

Meeting was called to order at 7:05. Present: Jon Schoenberg, John Lee, Pat Jennings, Stu Sklar, Dave Vannicola, and Steve Cronin (remotely, audio only)

Minutes for Feb 9, 2017 were read and approved with one correction. Stu will follow up with the contractor that repaired the Powder House, not Pat.

John reported that all the minutes have been sent to the Town Clerk and Julie Doucet for recording and posting.

Discussed the Harvard Historical Society's common tour. We will have 12 to 15 minutes to talk about the WWI monument (Jon will present) and the old WWII monument (John will present). A draft should be ready for the April meeting.

Jon described and handed out a spreadsheet of WWI Veterans that he collected from 3 different sources. All the names from all the sources didn't all match up. Jon will continue to work on it.

Steve volunteered to start collecting names of veterans from WWII.

Pat reported that she still has not received a quote from Hardscapes. She did get a quote from Basement Technologies. She will get some references from Basement Technologies. Repairs to the base should last about 20 years. Pat will also look into getting a quote for restoring just the flagpole, because it can't be removed from the base. The quote should include scraping, painting re-ropeing, and possible light for the top.

Stu will continue to track down the individual that repaired the powder house for a quote.
